

Am I more tolerant, understanding and patient of people who have different views to me?

Have I improved with my "Attitude of Gratitude?" Do I say Thanks 4 times a day, at home and about 6 more times when not at home?

*Have I realised yet that life is not all about me?*

Do I give myself to people I come in contact with by smiling more, saying hello, give compliments, filling peoples' buckets, thanking people and use their name when you know it?

Am I more Switched onto the Spirit of Jesus when it happens during the day?

Sometimes do you reflect on your day to see where you saw the Spirit of Jesus in your day? (God Moments) It only takes 40 to 60 seconds.
