

Year of Grace

When I was explaining **God Moments** to teachers and children at Forbes NSW 2 weeks ago, Theresa Newell, the Religious Education Coordinator of Wilcannia, Forbes said **“these God Moments are “Graced Moments” where we see the Spirit of Jesus reflected in the peoples lives each day. “We only get them, when we are switched onto them”.**

Which leads me onto a similar point when I was talking to Maureen Delany, who is the MJR Coordinator in Wagga Wagga Diocese and she saw a quote from Pope John Paul II and passed it onto me, which also really fits in with the Year of Grace.

“Keep Jesus in your heart and you will see his face in every human being”.
